

EXTERNAL REDUCED RATE REFERRAL REQUEST

If you are not able to pay for speech therapy and you want to find a clinician within Ontario to help you, you can apply for us to help you find someone who can help within your area that is willing to reduce their regular rate to work with you.

Please complete this form in its entirety and fax it to Well Said: Toronto Speech Therapy. Our Director will review this application for reduced fee services and add you to a waitlist for sliding scale availability.

Availability of reduced fee therapy is dependent upon a number of factors, including S-LP availability, number of session expected to be required and funding.
