

PRO-BONO APPLICATION

If you are not able to pay the \$159 - \$169 fee per therapy session, you can apply for a waived fee based on your income. Please complete this form in its entirety and fax it to Well Said: Toronto Speech Therapy. Our Director will review this application for reduced fee services and add you to a waitlist for sliding scale availability. Please note, very limited spots are available.

Availability of reduced fee therapy sessions is dependent upon a number of factors, including S-LP availability, number of session expected to be required and funding.
